# COUNTRY MUSIC FESTIVAL NASHVILLE *Meets London*

Celebrating both American and UK emerging and established talent, Nashville Meets London presents a fabulous two day country music festival.

Saturday headliner Russell Dickerson is the real deal, an American singer-songwriter from Nashville, headed for super-stardom with his latest single 'Yours' that has sold over 130,000 copies.

Sunday headliner Lucie Silvas is a British artist with an amazing voice who started as a backing singer for the legendary Judie Tzuke when she was just 18. She is now writing her own material and has her own record label.

This year's amazing line-up is an unmissable taste of Tennessee in the heart of London.
