

## TREATMENT MENU

### THE SHAVE

One for the classic gentleman. Using carefully crafted techniques and traditional close-cut razor blades – this is true excellence in the art of barbering. With your eyebrows trimmed and threaded where necessary, your ears delicately dabbed with a soft flame; we finish with a hot towel infused in scents to awaken your senses.

£24.00

### THE HAIR

Your Barber is ready and equipped with his sharp tools and sharp skills to chop your hair into the fashion you desire. Are you a gentleman who is content with his current crop or do you want something new, wacky or wild? Our master barbers can play architect as well as artist, so sit back as they turn hairstyle into masterpiece.

£31.00

### THE BEARD

Our master barbers know how important it is for you to look razor sharp and this means keeping your beard and stubble perfectly maintained. You will also enjoy eyebrow trimming, threading, ear flaming and hot towel therapy. Walk out of the chair styled, trimmed and feeling brand new.
