## Pop-Up Padel is back!

Returning for its second year due to unprecedented popularity, this fast-paced hybrid of tennis and squash is the fastest growing sport in the world and is suitable for complete beginners and experts alike.

See for yourself with a free lunchtime taster session during

the week and, once you've got the hang of it, why not book a court and challenge your friends to a game or take part in the corporate tournament? If you'd rather watch the experts in action then don't miss the World Padel Tour Exhibition on Thursday 28 and Friday 29 June.
