A unique event space in the heart of Canary Wharf
The East Wintergarden is a stunning events venue in the heart of Canary Wharf with a spectacular glass covered atrium based on the Wintergarden in New York’s Battery Park. This unique space, with views overlooking Jubilee Park and the waterfront promenade, enjoys a light and elegant atmosphere which is perfect for exhibitions, cocktail parties, product launches and receptions.
Nestled in the heart of Canary Wharf

The East Wintergarden nestles between two high-rise buildings (40 and 50 Bank Street) and above the Jubilee Place Shopping Mall. The magnificent 27 metre high glass structure, the Italian marble floor, steamed beech wooden wall panelling and integral lighting highlight the architecture and all combine to create a spectacular backdrop to any function; a truly unique setting for any event.
Whether your event is for 50 or 1,000, the East Wintergarden is perfect for hosting cocktail parties, launches, receptions, fashion shows, dinners, sports or press events. This amazing venue comprises three event spaces, which are available for hire independently or together for all types of functions. The 600-seater Main Hall has 682 square metres of uninterrupted floor space whilst the suspended mezzanine gallery accommodates up to 250 guests. The Promenade Room can accommodate up to 40 seated and is ideal for a separate meeting room or an organisers office when hiring the main venue space. The venue is fully air conditioned and in-house security, janitors and a stewarding service are available.
Whatever your event, at East Wintergarden no occasion is impossible, too large or too small to accommodate.
