Join us on a fun and captivating adventure as we find out what happened to the wolf and those three little pigs. And what about Goldilocks? Why was she walking in those woods? And as for the three Billy Goats Gruff, how did they really deal with that troll?

Using stunning puppets, props, and an exciting sing-along gypsy themed soundtrack, Three Billy Goats and Other Furry Tails is a perfect foot-tapping adventure for everyone including any pet trolls you may want to bring along. A clever reworking of well-known fairy tales by Theatre of Widdershins.
