Visit Montgomery Square for this extra Street Bite experience as we celebrate food from around the world and make the most of the last of the summer sun.

Karousel will be bringing 15 different street food traders every week, ranging from classic pastas by Homemade Passion, to Chinese bao buns from You Bao, fiery Thai dishes from Khon Thai, steak and chips from Le Beefed, and freshly grilled Greek souvlaki from 3 Little Pigs, all accompanied by an array of sweet treats.

Grab a seat on one of our comfortable picnic benches and enjoy your new found favourites.
