Midsummer Festival

This year we aren't able to host our Midsummer Festival at Canary Wharf, so instead we invite you to create your own Midsummer Festival at home!

We have created a packed programme of free online activities to celebrate the summer equinox. From an early morning dance session with Secret Sunrise, to a natural tie dye workshop and street food recipes to try at home, all accompanied by live music sessions; there is plenty to keep the whole family busy.

Whether you choose to take part in the whole programme or you just join us for one or two events, we hope we will give you lots of inspiration to make the most of the longest day of the year.

We would love you to share your midsummer moments of your summery celebrations with us on [Instagram @CanaryWharfLondon.](#)

Fingers crossed wellies will not be needed at this festival!
