DISHOOM

Nestled in a little corner of Wood Wharf, Dishoom brings to life the glittering-shimmering, big-business, metropolitan scene of '70s Bombay.

In every community, eating is a means to celebrate and to bring people together. We are particularly good at this in India. Every celebration has food in the middle of it, invariably leaving us all thoroughly sated, happy and burping (considered a courteous gesture). Entertain your colleagues and dearest friends at Dishoom with a leisurely breakfast, light lunch, or linger a while with a dinnertime feast.
